HAPPY HOLIDAYS FROM THE UNIVERSITY LIBRARIES

When the Archives Get Social: The Joe McDonald and Leola Lewis Project. Follow the lives of two UNR student's from the early 1900's through Special Collections' highly successful Joe and Leola Facebook project. With best wishes from all of us for the year ahead.

IT'S BACK, AND IT'S ALMOST TWICE THE SIZE!

If you're struggling to get into the holiday spirit this year, we have just the thing for you. Swing by the Knowledge Center for a quick visit. The soaring atrium is home to the second annual Holiday Book Tree, which stands at nearly 14 feet high and has nearly twice the number of books as the 2011 tree. Created from 600 volumes of the Pre-1956 National Union Catalog, this year's tree features 300 battery powered LED lights inside the tree stacks, which are turned on in the evening. According to research conducted by UNR librarians, it appears to be the biggest book tree ever built! Read more here.

Take a look at a time- lapse of the tree's construction here. For Knowledge Center hours click here.

THANKSGIVING AT THE LIBRARIES

The University Libraries already has a lot to be thankful for, but recently another big reason for thanksgiving came into play: a $1.7 million gift from the late Betty Heaston. Betty, a Vermont native, moved to Reno in the 60’s with her late husband, Jack, an engineer who invented equipment and secure systems for Keno games. Because Betty graduated from high school during the Great Depression, she was unable to pursue her dream of attending college. She did go on to become a strong supporter of higher education, always encouraging young people to go to college. A small portion of the gift will be used to meet current needs in the Knowledge Center and the remainder will be used to establish the Betty Y. Heaston Endowment. We are extremely grateful for this generous gift. 25TH NEVADA WRITERS HALL OF FAME

Miserable weather did not deter nearly 200 fans of literary Nevada who braved the snow and filled the auditorium in the Raggio Education Building to celebrate the 25th anniversary of the Nevada Writers Hall of Fame. Introduced by President Emeritus Joe Crowley, 2012 Hall of Fame recipient Bill Douglass and Silver Pen recipients Claire Vaye Watkins and Elizabeth Raymond accepted their awards and entertained the crowd with comments and readings. Celebrations were held before and after the ceremony as guests mingled with current and previous inductees and Silver Pen recipients. Watch KNPB News Director Brent Boynton's interview with Bill Douglass and Cheryll Glotfelty, author of Literary Nevada, on [A Conversation](http://www.knpb.org/).
