How to Access Course Reserves from the Library Website

Click Course Reserves from the library services department page http://library.unr.edu/LibraryServices on the library website.

Login with netid and password. If it is your first time logging in you will be asked to create an account which requires your name and email address.
Once logged in and account has been created, click “Find My Courses” on the left side menu. You may search by course number, instructor, or department.
Click “Add Course” next to the course you wish to view.

Click “View Item” to view a reserve item. Reserve items can also be sorted by title or author. If your instructor has labeled items with tags (like week designations), you may also limit the list of reserve items by these tags. You may also add favorite items to your “My Likes” list. Items that you have not previously viewed will have “new” next to the title.
